

Implementing and Utilizing Your Reserve Study

This free continuing education course for CMCA's provides expert insight on the distribution, review and implementation of a professional reserve study. Attendees will learn how to apply their reserve study beyond facilitation of the annual budgeting process, resulting in effectively utilizing their report for years to come.

TOPICS INCLUDE:

RESERVE STUDY DELIVERABLES An in-depth review of the five standard components of a professional reserve study.

REPORT DISTRIBUTION A reserve study serves management, the board and homeowners. Learn which components should be distributed to each stakeholder and what to review upon delivery of your reserve study.

USING THE REPORT A reserve study is more than a budgeting tool. You'll learn how to apply your reserve study throughout the year.

KEEPING YOUR RESERVE STUDY CURRENT Association needs change over time. Understanding how to keep your reserve study current enables one to make the most informed decisions to ensure their association's long-term physical and financial health.

CE Credits: 1 credit hour

This course is approved by the Community Association Managers International Certification Board (CAMICB) to fulfill continuing education requirements for the CMCA® certification. www.camicb.org.
